In support of this Application, MPM respectfully states as follows:

### **BACKGROUND**

1. On May 3, 2017, the Commonwealth of Puerto Rico (the “Commonwealth”), by and through the Financial Oversight and Management Board for Puerto Rico (the “Oversight Board”), as the Commonwealth’s representative pursuant to section 315(b) of PROMESA, filed a petition with the Court under Title III of PROMESA.

2. On May 5, 2017, the Puerto Rico Sales Tax Financing Corporation (“COFINA”), by and through the Oversight Board, as COFINA’s representative pursuant to PROMESA section 315(b), filed a petition with the Court under Title III of PROMESA.

3. On May 21, 2017, the Puerto Rico Highways and Transportation Authority (“HTA”), by and through the Oversight Board, as HTA’s representative pursuant to PROMESA section 315(b) filed a petition with the Court under Title III of PROMESA.

4. On May 21, 2017, the Employees Retirement System for the Commonwealth of Puerto Rico (“ERS”), by and through the Oversight Board, as ERS’s representative pursuant to PROMESA section 315(b) filed a petition with the Court under Title III of PROMESA.

5. On July 3, 2017, the Puerto Rico Electric Power Authority (“PREPA”) by and through the Oversight Board, as PREPA’s representative pursuant to PROMESA section 315(b) filed a petition with the Court under Title III of PROMESA.

6. On September 27, 2019, the Puerto Rico Buildings Authority (“PBA”), by and through the Oversight Board, as PBA’s representative pursuant to PROMESA section 315(b), filed a petition with the Court under Title III of PROMESA.

7. Through Orders of this Court, the Commonwealth, COFINA, HTA, ERS, and PREPA Title III Cases (together, the “Title III Cases”) are jointly administered for procedural purposes only, pursuant to PROMESA section 304(g) and Bankruptcy Rule 1015 [ECF Nos. 242,537,1417].

8. This Application seeks allowance of compensation and reimbursement of expenses incurred by MPM in connection with the Title III Cases matters described below.

### **COMPENSATION REQUESTED BY MPM**

9. AAFAF retained MPM pursuant to an engagement letter dated February 20, 2018, as subsequently amended, (the “Engagement Letter”). Pursuant to the Engagement Letter, payment of all fees and expenses detailed in this Application will be made exclusively by AAFAF.

10. MPM’s hourly rates are set at a level designated to compensate MPM fairly for the work of its attorneys and paraprofessionals and are disclosed in detail in the Engagement Letter. In light of the unique facts and circumstances of these Title III Cases, MPM agreed to provide a 10% discount on all fees incurred.

11. MPM’s rates are appropriate and reasonable for complex litigation and restructuring matters, whether in court or otherwise. The rates and rate structure reflect that such complex matters typically involve great complexity, high stakes, and intense time pressures. In addition, the fees charged by MPM are in accordance with the firm’s existing billing rates and procedures in effect during the Compensation Period. The rates charged by MPM for the services rendered by its professionals are consistent with the competitive market rates in Puerto Rico for bankruptcy matters charged by other Puerto Rico attorneys who have appeared in the Title III cases.

12. MPM submits that the compensation requested is reasonable in light of the nature, extent, and value of such services provided to AAFAF.

### **SUMMARY OF SERVICES**

13. During the Compensation Period, MPM provided important professional services to AAFAF in connection with the Title III Cases. Detailed descriptions of the specific services provided, and the time expended performing such services are attached as **Exhibit B**, and a

summary of the services provided by MPM to AAFAF during the Compensation Period is set forth below.

14. MPM has served as counsel to AAFAF, who as the entity authorized to act on behalf of the Debtors pursuant to the authority granted to it under the Enabling Act of the Fiscal Agency and Financial Advisory Authority, Act 2-2017, has defended the Debtors' rights and interests in the multiple contested matters and adversary proceedings, and in the formulation of legal strategies related to the response to requests to modify the Title III stay, the claims resolution procedure, the assumption and rejection of unexpired executory leases, among other matters.

15. During the Compensation Period, MPM has worked in, among other matters, the following: (i) the drafting and revision of motions and pleadings; (ii) preparation for hearings, (iii) preparing and delivering to the Court AAFAF's status reports during the omnibus hearings held during the Compensation Period; (iv) communicated with various agencies and assisted in the negotiation and drafting of stipulations or objections to requests to modify the Title III stay; (v) research of Puerto Rico and federal law regarding bankruptcy issues; (vi) analysis of claims asserted against the Debtors and negotiated resolutions of such claims or litigated them as part of the Title III Proceedings; (vii) analysis of and assisted in negotiating and resolving insurance related claims; (viii) analysis of claims and participate in claim resolution process; (ix) representation in numerous adversary proceedings and appeals relating to the Title III Cases; (x) assisting all professionals and the Treasury Department in the payment process to ensure compliance with the court order; and (xi) performed other services as described in this Application.

16. MPM attorneys, as counsel for AAFAF, also attended hearings and participated in teleconferences with AAFAF, its professionals, the Oversight Board, its professionals, creditors

and other parties. More than one MPM attorney may have participated in these hearings and conferences, when required, in order to better represent AAFAF.

17. MPM has established subject matters categories (each, a “Matter Category”) for keeping time records of the work performed for AAFAF. The following is a summary by Matter Category, of the professional services provided by MPM during the Compensation Period<sup>5</sup>.

**a) Case Administration- 455.70- \$112,339.40**

During the Compensation Period, MPM analyzed the applicability of the automatic stay to pending federal and state litigation against all Debtors, responded to requests to lift the Title III Stay, consulted with the Debtors and various Commonwealth agencies, and drafted and revised objections or stipulations related to the requests.

**c) Fee Applications -272.90- \$46,512.80**

MPM attorneys also assisted the Department of Treasury in the review of all professionals' monthly fee statements and processing of payment of all professional's fees.
